Type:	Bug	Priority:	Medium
Reporter:	Gabriel Bedolla	Assignee:	Unassigned
Resolution:	Unresolved	Votes:	0
Labels:	None		
Remaining Estimate:	Not Specified		
Time Spent:	Not Specified		
Original Estimate:	Not Specified		

Steps to Reproduce:	1. Have all users but one log out of the page 2. Click publish on contact management page o You will get a popup message letting you know that "Contacts was published successfully"
Expected Result:	The message at the top of the screen that reads "You have unpublished changes" should go away or change to a new message letting the user know that the changes were published or that the current version that they see is what is actually published.
Actual Result:	"You have unpublished changes" remains even after publishing changes

Description

The message at the top of the contact management page that reads "You have unpublished changes" will not go away after publishing.
